### **Toledo Municipal Clerk Bowman-English to collect delinquent accounts**

Today Toledo City Council passed an ordinance authorizing Toledo Municipal Clerk of Court Vallie Bowman-English to enter into a one-year renewable contract with Capitol Recovery Systems, Inc.

In October 2004, the Clerk solicited proposals from professional collection service agencies to collect payments on delinquent accounts owed to Toledo Municipal Court.

“Currently, the court is owed \$8,705,575.85 in outstanding accounts,” Ms. Bowman-English said. “The court now will be able to take advantage of state law that allows us to collect on these outstanding accounts at no cost to the City of Toledo.”

Capitol Recovery Systems, Inc. is located in Columbus, Ohio and provides collection services to more than 20 courts in Ohio. The company has a collection rate of 18 – 48% for their Ohio clients, with an average of 30%.
